**More grand, beautiful, and mysterious than just fixing, God redeems!**

1. In Christ God redeems THE garden IN a garden experiencing Paradise Lost with and for us.
2. By Christ's resurrection IN a garden something new begins in the restoration of and the anticipation of THE garden life.
3. As a follower of Christ you bring the life of the original world into this world in your vocation and relationships. WE are part of God's redeeming, restoring Kingdom.
