

Today: His Agony, Our Medicine from the Garden
Series: God the Master Gardener
Texts: Mark 14:32-42
Speaker: Pastor Kevin

Repent for the Kingdom of God is at hand!

...Daddy, what did Jesus mean?

The Garden of Gethsemane: A real place but real history?

...sounds like unedited history to me.

What Jesus experienced in the Garden astonished Him and may well astonish you.

...and he **began** to be greatly (1)distressed, (2)troubled, (3)sorrowful to the point of death

...he fell on the ground (or did He stagger?)

...let this hour pass from me = remove this cup from me

What brought Jesus to such a state in the Garden of Gethsemane?

...not some things but one thing: a foretaste that forecasts his cry of dereliction

...the hour is upon him and the cup has been tasted

...our culture recoils

Our Medicine Chest from the Garden of Eden: Jesus loves into His suffering!

...Life will always present you the suffering “gap” – the difference between your...

...Jesus faces His “gap” and chooses the Father and us by loving into His suffering.

...The source of this medicine’s power in our own lives: the 2nd Adam, garden, and tree

Not My Will BUT Your Will

...Empowered by His love will you bring the Kingdom by loving into your own suffering?

...How will you discern His Will and His Kingdom?

...Make no mistake: the road Jesus took & the road you can choose will end in the same place...
