“Only let your manner of life be of the gospel of Christ.”  
-Philippians 1:27

Paul's Prescription for us:

Be of the same \_\_\_\_\_, and have the same \_\_\_\_\_.

A major reason that we rarely share the same mind of others is the philosophy of \_\_\_\_\_.

In true Individualism the \_\_\_\_\_ of the individual always come before the \_\_\_\_\_ of others.

Because of this, we rarely are of the same \_\_\_\_\_ or \_\_\_\_\_.

The \_\_\_\_\_ of Christ must share in the \_\_\_\_\_ of Christ.

The mind of Christ: to see all people in \_\_\_\_\_ even if it cost Him his own \_\_\_\_\_.

A love this great \_\_\_\_\_ a \_\_\_\_\_.
