**Bright Yellow:** What is the bright yellow of the gospel? What is it based upon? What good is it?

~~~~~

**What is yellow based upon?** Is the bright yellow of the Gospel another mythology or history? Does faith fade/destroy the color or become/paint with the color?

**What good is it?** What does the bright yellow of the Gospel offer to the individual and the human race in facing its situations and problems in contrast to other stories?
