- ◆ We have many polarizing figures in secular society—  
these people are those who stir up \_\_\_\_\_.
- ◆ Yet, in the Church, very few Biblical characters would fit this  
definition. But there is one: \_\_\_\_\_.
- ◆ While the Church often debates her role in our lives, to truly see what God  
\_\_\_\_\_ us to see, we must simply look to \_\_\_\_\_.

What we need to know:

- ◆ Mary should have been \_\_\_\_\_.
- ◆ But instead, she chose \_\_\_\_\_.
- ◆ By praising (\_\_\_\_\_) Him, she allowed God to  
occupy more of her \_\_\_\_\_.

*How much of His love will occupy your vision?*
