**Series:** 5G for a Better Life  
**Text:** Proverbs 9:1-6; I Corinthians 1:24; Luke 15:17ff  
**Speaker:** Pastor Kevin

Both were unaware of what they had? (Lk 15)

Are you unaware what wisdom has prepared for you? (Proverbs 9)

What is this party, this feast for us?

What does Jesus teach about the wisdom feast? (John 6:53-57; I Cor 1:24)

What do you want? Are you unaware the party is for you?

Can you see Proverbs 9 points to the ultimate wisdom feast? (Mt 26:26-28)

What significance do the careful preparations of wisdom hold for us?

What does the rhythm of Proverbs 9 (and its breakpoint) mean for us?

What must happen in us to respond to wisdom's invitation?

If we go inside what will we find?
