

**Today:** Yet Another Bridge to Spiritual Conversations  
**Series:** Bridges and Barriers to Spiritual Conversations  
**Text:** 2 Kings 7:9; John 14:25-31  
**Speaker:** Pastor Kevin

**“This is a day of good news but we are keeping silent.”**

**Talking is \_\_\_\_\_; communicating requires \_\_\_\_\_.**

**What is essential to communicate in a spiritual conversation?**

(Mark 1:14-15; Luke 4:43; 8:1; 9:1,2; Acts 1:3; 28:30-31; Acts 29)

- The Gospel is a good news \_\_\_\_\_ about historic events that change everything.
- The Gospel of Jesus Christ is good \_\_\_\_\_ not good \_\_\_\_\_.
- Jesus doesn't tell you how to build a bridge to \_\_\_\_\_, He is the bridge

**The Coronavirus is another bridge to spiritual conversations...consider three levels.**

**1. A Word is Needed for Fear: Peace**

“...peace I give to you...not as the world gives...let not your hearts be troubled...nor be afraid”

**2. A Life is Needed for the Lonely: Agape**

What this Super Bowl commercial showed me about spiritual conversations in our culture.

**3. A Story is Needed for Everyone: What's Your Story?**

Does your story make sense of both the beauty and brokenness in our lives and world?
