

Today: The Untied Donkey and the City Shaken
Text: Matthew 21:1-11
Speaker: Pastor Kevin

We need a Word from God in this troubled hour, and Matthew's account of Jesus' triumphal entry provides it through what appears to be two insignificant details.

The Untied Donkey

Associations modern and ancient
Zechariah's echo
The day of entry and the untied colt
An insight for us
All by the Master's Word

The City Shaken

Jerusalem Shaken Once Again And Still Unaware
Creation Shaken with Shock at the Cross
The Universe Shaken with the Power of Life

We are untied by the Master to take the Gospel to a world shaken to its core.
