

Today: What is the point to life?
Text: Matthew 20:20-28 and Ephesians 4:17-24
Occasion: iREACH Sunday
Speaker: Pastor Kevin

Cheers!

Four Questions a worldview must answer.

Too busy (too scary?) to ask “what’s the point to life?”

If there is no God and there is no meaning can you make your own? Yes and a bigger No.

An example of yes.

But a bigger no if you want to be intellectually honest and have a durable meaning.

Why get up at the crack of dawn on a perfectly nice Saturday for a Council meeting at 7:30 am?
(and other equally crazy questions...)

Answer: Start with Jesus, a ransom, and our captivity as Paul describes it.

What stirs you?

How do I express the new life of Christ stirring inside me?

Momma’s boys find the source of the real buzz... But does it really work, Jesus? (Heb. 12:2...)

The key chain reminder: iREACH

Being served in Reaching UP

Serving people you love and are going to love Reaching IN and OUT
