Parable Preaching utilizes God's Word and our culture's _____ to highlight the highlife with God.

The Terminal is a curious story of waiting; something we don't _____ and aren't _____ at.

Victor Navorski is delayed a long time but the "_____" & "_____" are in marked contrast to others who are waiting.

How Victor waits: He does not _____ the wait.
Our vulnerability is to get weary and dreary in waiting and so forget how to _____ the wait.
(2 Peter 3:13-14)

Why Victor waits: He never loses sight that he is _____.
Our vulnerability, while stuck on "our terminal," is to forget that all of this is _____.
(Philippians 3:20)

We wait in the _____ of Him who was willing to wait for us and is willing to wait on us.
(Psalm 27:14)
