The Parable Told

The Kingdom of God is like someone who, at his own personal cost and loss, chooses NOT to _____ someone or something thereby assigning great value.

The Kingdom of God announces your true value as Christ chooses, at great personal cost and loss, the Father's will (heart) so that you will never be _____ from God's presence.
(Luke 22:40; Hebrews 5:7-10)

Christian faith overcomes the seeming randomness of all things leading us to choose Father's will (heart/Word) over our random will so that we may experience the same reward Elder Brother did:

(Isaiah 53:10-11; Proverbs 3:5-6)
