

ANCHORS OF THE SOUL

Series Synopsis: What ultimately fastens your soul to Jesus through every season of life, including your last one? You need more than fleeting feelings or sketchy opinions around God. Rather, you need the clear and bold truths from Scripture concerning your salvation in Christ that serve as anchors for your soul. The “anchor doctrines” of the Bible, so clearly defined in the Reformation by Luther and others, are ones to cherish and abide in. Taken together they hold the soul in Christ, in life.
